

Madison County Online Soon

Madison County is in the process of upgrading their Judicial Tracking System and they want to complete that project before setting up public access. This project is underway and may be finished "any time now" (They will be testing it this weekend). Once they complete the upgrade, we expect it will take us a month or less to get their records on line. We're eagerly waiting to get started!

Pay in Advance

Tired of writing a check each month? Please note that paying for your Doxpop service in advance is an option. We can set your account to invoice you quarterly, semi-annually or annually. Or, you can simply send in your preferred amount and we will apply it to your account accordingly. Call Doxpop toll-free 1-866-369-7671 if you are interested in any of these payment options.

Reading Indiana Cause Number

For example: **89C02-0512-IF-00016**

89 is the county number (Wayne County)
C02 is the court in which the case is filed (Circuit 2)
05 is the year the case is filed (2005)
12 is the month the case is filed (December)
IF is the case type (infraction)
00016 is the Annual sequence number. This is the 16th infraction case of the year in Wayne County.

*The Annual sequence number is five digits with or without leading zeros. Some counties "pad" this number with leading zeros to make it exactly 5 digits long (see example above), while other counties leave out the leading zeros. (89C01-0512-IF-16)

Adding the percent sign in front of the annual sequence number ensures you a successful search result. (89C02-0512-IF-%16)

Muncie City Court coming online soon!

Doxpop hits the road

Doxpop will be attending this year's Southern and Northern District Clerk's meetings March 8th and March 10th, respectively. These events will be an excellent opportunity to visit with our current Doxpop partners, as well as network with other Indiana counties.

Improvements to Screens

Thanks to all Doxpop users for your continued suggestions and feedback. We recently released some improvements to our web site that will make it easier and faster to navigate through the screens. One significant improvement is on the "My Saved Searches" screen. From "my Doxpop", click "My Saved Searches". This area is much easier to set a watch on a case. (Setting a watch on a case means you want to be notified by email any time a change occurs for your saved search). Check it out! If you have any questions or further suggestions please call us toll-free 1-866-369-7671.

From the County to your fingertips

When a County partners with Doxpop, all county court data is exported to our server and displayed on the Doxpop web site. From that point forward, Doxpop receives "updates" every ten minutes from the county to ensure that information on the Doxpop web site remains current.

Occasionally a county has network problems and is unable to send Doxpop ten minute updates. When this happens, all information from the county is still accessible on Doxpop. This only affects the updates from that county until the county's network problem is fixed.

NEWS FLASH

Doxpop will release a "new look" in late March. We hope you will find it easier to navigate, and a joy to use.

The list below includes the **20 Doxpop Counties**, their County number, and the month and year of the oldest records available through Doxpop for that county:

03	Bartholomew	(05/85)
07	Brown	(01/93)
12	Clinton	(01/91)
14	Daviess	(02/94)
18	Delaware	(01/89)
20	Elkhart	(01/92)
34	Howard	(07/94)
38	Jay	(03/94)
41	Johnson	(08/89)
50	Marshall	(09/88)
52	Miami	(03/98)
53	Monroe	(08/93)
54	Montgomery	(01/90)
67	Putnam	(01/92)
68	Randolph	(03/94)
74	Spencer	(01/02)
77	Sullivan	(06/98)
84	Vigo	(04/96)
85	Wabash	(08/89)
89	Wayne	(03/90)

The most current version of this information can be found on our home page.

Are you chanting... "More counties, More counties"?

As we continue to contact non-Doxpop counties and encourage them to partner with us, we would also like to encourage you to **stop by or call the non-Doxpop counties** you would like to see online. Share with them your excitement and positive experiences using Doxpop and the convenience. Encourage them to call us to see how their county can become partners and get their data online.

DOXPOP, LLC provides free tech support. Office hours are 8 am - 5 pm Monday—Friday. You can contact us toll-free 1-866-369-7671. For help after hours and on weekends, contact us by email at: help@doxpop.com. (Although we cannot guarantee a response outside business hours, our tech support is occasionally available at odd hours, so please email us. You will be first in line the next business day for a response.)

Continuity gives us roots; changes gives us branches, letting us stretch and grow and reach new heights.
