

December 3, 2007

To all Doxpop users:

The Courts of Monroe County plan to stop sending case information to Doxpop on December 17, 2007. Doxpop plans to continue to provide access to historical case information, but new information about current cases will no longer be available via the Doxpop website.

The Monroe Courts are switching to a new case management system (CMS) provided by the State Court's Judicial Technology and Automation Committee (JTAC). On October 25 we formally requested access to Monroe County case information via the new system. We are waiting for the Division of State Court Administration to act on our request.

We regret any inconvenience this may cause. Please call us if you rely heavily on access to Monroe County information and wish to make any changes to your subscription.

Thank you for using Doxpop.
